# Recepie

## first step:

Mix butter with sugar and vanilla sugar.  
Stir in eggs a little at a time.

## second step:

Combine flour, baking powder and salt, and stir into the batter.

## third step:

Now slowly stir in the milk.

## fourth step:

add everything together in a container and mix the ingredients together until the consistency is like in the picture

**fifth step:**

Preheat waffle iron and place 2 heaping tablespoons of batter on each waffle iron

**sixth step:**

Bake each waffle for about 1-2 minutes until golden brown.

**seventh step:**

Enjoy with fresh fruit, cream, powdered sugar or other ->good appetite
